RE: Docket No. FV05-929-610 REVIEW,
Federal Register: July 12, 2005 (Volume 70, Number 132)

Dear Mr. Clayton;

My wife and I are cranberry growers here in western OR. And it has come to our attention that a cranberry set aside is in the offing 2006. We believe that there is plenty of sales for the Or. Cranberry. We have had two set asides in the last few years, and believe that it would not be to our best interest for 2006.

We would ask you to exempt Or. from the set aside proposed or not to have a set aside at all.

Thank you for your consideration on this matter.

Sincerely;
